Information Disclosure Statement Under 37 CFR §1.97(b)(3)

Or, If An Office Action Has Been Mailed, Under §1.97(e)(1)

Dear Sir:

Listed on attached form PTO/SB/08A are patents that were cited in a search report of a counterpart foreign (UK SN 0205262.9) patent application.

This IDS is being filed, so far as applicant knows, before mailing of an office action on the above-identified U.S. Patent application, SN 10/029,042.

After making reasonable inquiry, I hereby state that each item of information contained in this Information Disclosure Statement was first cited in any communication from a foreign patent office in a counter part foreign application not more than 3 months prior to the filing of this statement.

U.S. Patent No. 5,152,032, patented 10/06/1992 by Davis et al. was also cited in the UK search report but is not listed on attached form PTO/SB/08A because it was cited by the Applicant in

the IDS filed with U.S. SN 10/029,042.

The patents listed on form PTO/SB/08A are:

<u>Patent No.</u>	<u>Pub. Date.</u>	<u>Name of Patentee or applicant</u>
U.S. 2,598,560A	05/27/1952	B.F. Kenyon (Mechano Gear Shift Company)
GB 2262123A	06/09/1993	Kabushiki Kaisha Nakanishi Engineering
JP 2001055861A	02/27/2001	Meiko KK

A copy of the search report in application No. GB 0205262.9, is enclosed to show the date of search, July 22, 2002.

Copies of all four patents listed in the UK search report are enclosed.

No translation of the Japanese patent was supplied or is on hand.

The submission of this IDS is not to be construed as an admission by the applicant that the information cited in this statement is or is considered to be material to patentability.

No fee is seen needed for this IDS. The Commissioner is hereby authorized to charge any fee which may be required to deposit account No. 19-1109.

Respectfully submitted,

  
Robert A. Seemann      Date
